Time to Play

Safe and challenging

Outdoor play is good for the development of your child. Their imagination runs wild and it is good for their locomotor system. This development is stimulated even more by the SwingKing playground equipment. Climbing, sliding, swinging. You name it, SwingKing offers it all!

For years, SwingKing has been the brand for qualitative, reliable and challenging wooden playground equipment. SwingKing offers a wide range of swing sets, playhouses, playground sets, climbing frames, sandpits and slides that will make your garden a paradise for your children.

You can also extend your playground equipment with an extensive range of accessories. From simple swing sets to large climbing towers, the extensive range provides something for everyone. All our products are tested and have been given a hallmark or certificate. You will find them in the product description.

Quality certificates in our range

We are FSC® certified since 24 February 2012, our certificate number is SCS-COC-000652-SL. Our FSC® certified products can be recognised by the FSC®-logo.

Our products have been approved by TÜV and bear the TÜV quality mark. That means your children can play safely.
