CATALOGUE 2025

Time to Play

Safe and challenging

Outdoor play is good for the development of your child. Their imagination runs wild and it is good for their locomotor system. This development is stimulated even more by the SwingKing playground equipment. Climbing, sliding, swinging. You name it, SwingKing offers it all!

For years, SwingKing has been the brand for qualitative, reliable and challenging wooden playground equipment. SwingKing offers a wide range of swing sets, playhouses, playground sets, climbing frames, sandpits and slides that will make your garden a paradise for your children.

You can also extend your playground equipment with an extensive range of accessories. From simple swing sets to large climbing towers, the extensive range provides something for everyone. All our products are tested and have been given a hallmark or certificate. You will find them in the product description.

Quality certificates in our range

We are FSC® certified since 24 February 2012, our certificate number is SCS-COC-000652-SL. Our FSC® certified products can be recognised by the FSC®-logo.

Our products have been approved by TÜV and bear the TÜV quality mark. That means your children can play safely.

The PEFC logo on our products ensures that these products come from sustainably managed forests, recycled and controlled sources. Every purchase of a PEFC-labelled product makes a difference for forests and forest communities across the world.

List of contents

Luxury wooden playhouse

Milan

Very luxurious playhouse with a floor. It has upstairs and downstairs windows, a chimney and stairs inside up to a loft space. The pre-fab roof and wall elements make it easy to build.

Material

Impregnated PEFC certified wood that requires no further treatment. The roof is covered in roofing felt.

Extra options

Nice to extend with accessories, e.g. a letterbox or blackboard. Discover the possibilities in the individual playground accessories, from page 99

Properties

- Can be installed on an area of approx. 15 m²
- 265 x 185 x 250 cm

3 - 12 years old

NAME	EAN-CODE	ART. NO.
Milan	8720701430907	7850026

Playhouse

Leon

The wooden playhouse Leon is a beautiful children's playhouse which can be used as a hospital, police station, petrol station and fire station. The front and side includes a window with shutters and the front has a 2-part door.

Material

The playhouse is made of impregnated FSC® wood which will last for years.

Extra options

Nice to extend with accessories, e.g. a fuel pump handle or blackboard. Discover the possibilities in the individual playground accessories, from page 99

Properties

- Can be installed on an area of approx. 15 m²
- 200 x 205 x 156 cm

3 - 12 years old

NAME	EAN-CODE	ART. NO.
Leon	8720701430921	7850060

Material

Strong, impregnated PEFC certified wood that lasts for years. Due to the production process of square wood, the chance of surface cracks is low. This process is more laborious but makes the wood more sustainable.

Extra options

Nice to extend with other accessories, e.g. a phone or binoculars. Discover the possibilities in the individual playground accessories, from page 99

Properties

- Can be installed on an area of approx. 20 m²
- 177 x 184 x 210 cm

3 - 8 years old

Playhouse

Camilla

Playhouse made from square wooden beams with a 1,2 m long slide and hand grip set.

TIP

The use of ground anchors is recommended for this playground set.
(not included)

Playhouse

Kitchen

The outdoor play kitchen is made of impregnated FSC® certified wood. The play kitchen has a stove and handy storage spaces. The worktop slides out, creating space for a sandpit. The sandpit is removable.

Material

Impregnated FSC® certified wood that will last for years and requires no further treatment.

Properties

- Can be installed on an area of approx. 4 m²
- 94,5 x 47,5 x 108 cm

2 - 5 years old
